

## **COREGANIZER™ Use Instructions**

All product components meet or exceed U.S. Federal Motor Vehicle Safety Standard #302 Flammability Requirements.

### **Placing Coreganizer™ in place:**

1. With hook side down, bend, form, mold or leave straight and press unit into place on looped fiber/fabric surface.

### **Removal:**

1. Simply pull up on either end and lift up on the unit.

### **Cleaning instructions:**

The Coreganizer's durable water repellant fabric resists many messy spills. If you chose, however, the Coreganizer™ can be easily cleaned with a damp cloth.

**NOTE:** Loads shift & settle; inspect after 10 miles; then every 40/50 miles thereafter (inspect in shorter intervals if on rough bumpy roads or inclement weather).

**WARNING:** Inspect product before each use. **DO NOT USE:** If product is deformed, worn, damaged, rusted or not securely installed. Avoid contact with sharp objects, flame or chemicals that may damage or weaken product, as these conditions may result in severe **DAMAGE** to persons or property. Product is **NOT** designed nor to be used as a personal restraint, or towing device. **USER** assumes full responsible for determining product's safe condition and suitability for a particular purpose. **NOTICE TO PURCHASER:** Core Products USA is not responsible for damage or injury caused by improper use of products.
